II Speakers

Reschedule Dr. Melamed- trying for October  
Food Issues Person for the June 11  
Nutritionist in September

III Food Allergy Awareness Week 5/13-5/19

IV 2007 Food Allergy Walk - September 9

Contact: Kim Bozich, [kbozich\\_faana@yahoo.com](mailto:kbozich_faana@yahoo.com),

(Home) 303-683-3506, (Cell) 303-870-1749

Kim has set up a fundraiser with Noodles & Co on Monday May 14th from 4-8 PM at Belmar/Lakewood, Wadsworth and Alameda during FAAN's food allergy awareness week. On this evening, Noodles & Co at Belmar has offered to donate 20% of sales (dine in or take out) to FAAN for our Colorado collections. She will be there to hand out information on food allergy awareness, info on the upcoming walk in Denver, and fun activities for the kids. Noodles & Co may not be appropriate for all of those with food allergies but they do make an effort to accommodate and modify recipes to provide safe meals. You can also contact the chef via the website to see if a specific allergy can be avoided. [www.noodles.com](http://www.noodles.com)

V Discussion

**-Discussed the soy issue. Soy has estrogen and boys who drink a lot of soy milk are developing breasts.**

-Check out [www.kidswithfoodallergies.com](http://www.kidswithfoodallergies.com), free to look or \$25/yr

**Next Meeting-Monday, June 11 at 630pm with Angela Haas,  
the Feeding Disorders Specialist from Children's Hospital, at  
Lone Tree Library**
